

**We are calling on the government to use the money from the Criminal Assets Bureau to fund drug services in our communities**

- **CAB has collected over €118 million in taxes**
- **CAB has obtained interim restraint orders on assets of over €71 million**
- **CAB has obtained final restraint orders on assets of over €35.5 million**

**PUT THE DRUGS MONEY  
BACK INTO THE  
COMMUNITIES IT  
CAME FROM!**

**"There is no recession in the drugs trade"**

**PUT THE DRUGS MONEY  
BACK INTO THE COMMUNITIES  
IT CAME FROM !**

**Ireland's drug trade is estimated to be worth at least €650 million a year.**

**This trade in misery, crime and death, will continue to grow and prosper during the current recession.**

**Cutting back on the government response is not an option!**

**"People kill for drugs money; let us use it to save lives"**

- 
- 400 people in Ireland die of drug related deaths every year
  - Gangland killings, intimidation and anti-social behaviour lead to people living in fear
  - Ordinary crime in your community e.g. robbery and theft, will go up as drug use increases

- 
- Drug treatment saves lives
  - Drug prevention programmes offer hope of better lives to young people
  - Drug treatment reduces crime and Community Policing Forums make your community a safer place
  - Drug rehabilitation services offer a better life for drug users, their families and communities

**All of these services are now being cut!**
