

EU Parliament Elections 2024

Questions for European Election candidates

- If you are elected, how will you use your position in Europe to highlight the importance of addressing the drugs issue?
- If you are elected, will you lobby the Irish government to meet their commitments under the EU Action Plan on Drugs?
- If you are elected, will you support the position that International Drugs Policy should focus on drug use as a health issue and not as a criminal issue?
- If you are elected, will you commit to come back to me within 6 months with a report on your actions on the above?

Further information on the EU Drug Strategy and Action Plan is available here
