## Questions for Local Election candidates

### If you are elected, will you

- Participate as a Councillor on the Local/Regional Drug and Alcohol Task Force and actively contribute to the DATF's work?
- Put the drugs issue on the agenda at Council meetings through questions and motions?
- Contribute to and report on the Council's implementation of the actions assigned to local authorities in the National Drugs Strategy?
- Campaign to increase the budgets of local Community Drug Projects?
- Come back to me within 6 months with a report on your actions on the above?
